We wish to review the past year, to anticipate the year to come, and to thank our community for their continuing support of the library.

This year's meeting will be held in the living-room setting of the Louise Roberts Room at the Claremont United Church of Christ.

The featured speaker is David Allen, reporter and popular columnist for the Daily Bulletin, and author of books about local goings-on: ***Pomona from A to Z***, ***Getting Started***, and his latest, ***On Track***, which was a recommended read by author Gustavo Arellano in a column for the LA Times. He will have books with him for purchase.

There will also be an Opportunity Drawing for 10 remarkable books. Everyone attending will receive a ticket. Additional tickets will be available for purchase: $1 per ticket. $5 for 6 tickets.

Welcome!
