

The Friends of the Claremont Library's
On the Same Page committee presents

Where We Belong

Creating Inclusive Environments for LGBTQIA+ Students
and their Families

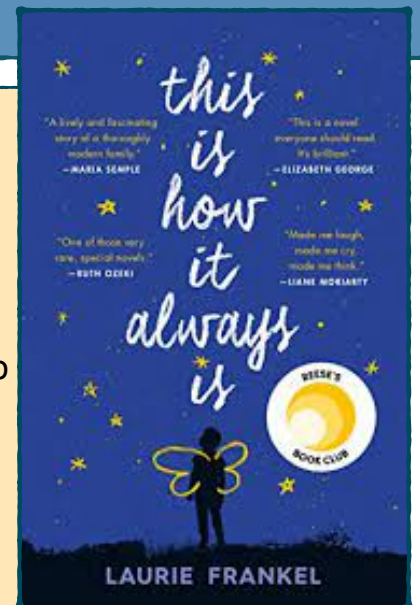

Saturday, January 20, 2024
10 am

Claremont Helen Renwick Library Meeting Room
208 N. Harvard Ave, Claremont

Featured speaker: Natalie Taylor, EdD

In a climate of policy debates surrounding our district LGBTQ+ students and families, Natalie Taylor, EdD, Director of Intervention and English Language Programs at Claremont Unified School District, will be speaking about CUSD's commitment to working with students, teachers, parents, and the community to help keep our potentially marginalized young people engaged, creating safe, affirming environments for all.

On the Same Page put a priority on the topic of 'gender dysphoria and the family' when they chose ***This Is How It Always Is*** by Laurie Frankel for the Claremont Community Read, and we saw how the fictional schools dealt with the needs of the character Poppy. Natalie Taylor will be with us to speak about inclusion in the Claremont schools and to answer questions.

Books are available for checkout and for purchase (\$15.00)
at the library.

On the Same Page will be presenting programming
throughout the season.

This is a book that is made for discussion.

Perfect for friends
to read together.
