THE OXFORD INTERNATIONAL ENCYCLOPEDIA OF PEACE

Editor: Nigel J. Young

Oxford University Press, 2010

4-Volume Set

From the Foreword by His Holiness the Dalai Lama: "Finding peaceful solutions to the world's increasingly complex problems will be a huge task, which must also be based upon knowledge, experience and research. I hope that this important new Encyclopedia will reach a global lay audience as well as policy makers and academic experts and encourage many thousands of readers to study further and work harder for the peace on which our whole future depends." This

innovative, multivolume encyclopedia charts the interdisciplinary field of Peace Studies, offering a comprehensive survey of the full range of historical, political, theoretical and philosophical issues relating to peace and conflict.
