Telescope Checkout Checklist

1. The telescopes are checked-out on a first-come, first-served basis. If there is a telescope available, it can be checked out. There is no reservation process for telescopes.

2. The Telescope Manual is a very helpful user guide for beginners.

3. The Telescope Manual has the telescope User Guide, library contact information, the QR code to websites with how-to-use videos, and start charts for each month.

3. To carry the telescope, place one hand in the handle and one hand on the base.

4. To transport the telescope, fasten the seatbelt with the lap portion across the base and the shoulder portion across the tube.

5. Do not look at the sun with this telescope.

6. There is a headlamp in the attached fanny-pack to help you read the manual at night.

7. This is a table top scope. Solid furniture or a camping table make an excellent base.

8. Try to practice in the daytime before going out at night.

9. Store the telescope indoors when you finish for the night.

10. Return the telescope on time. Please call (909-621-4902) if your return will be delayed.
